The image displays a set of hand-drawn architectural plans for a building, likely a residential or institutional structure. The plans are drawn in blue ink on a light-colored paper. The ground floor plan (Grundriss i. 1. Stock) shows a large central hall (Hauptsaal) with a staircase (Treppe) and several smaller rooms (Zimmer). The first floor plan (Grundriss 2. Stock) shows a similar layout with a central hall and rooms. The second floor plan (Grundriss 3. Stock) shows a smaller central hall and rooms. To the right of the plans is a technical report (Technischer Bericht) written in red ink, which includes a description of the building's structure and a list of materials. Below the report is a photograph of a piano, which is a dark wood upright piano with a decorative case. The piano is positioned in front of a wall with a decorative archway. The overall style of the drawing is that of a technical sketch or a preliminary plan.
